

THE SEARCH FOR AUSTRALIA'S ENTREPRENEURS OF THE FUTURE

Kidpreneur Challenge is a national competition run in Term 2 and 3 for years 4, 5 and 6, showcasing and celebrating the innovation capacity of Australia's young entrepreneurs.

- 14-module programme run across one school term
- Delivered by teachers in class
- Embedded in Australian National Curriculum 8.2
- Kidpreneurs
 - Build a business
 - Develop a product
 - Sell at Market Day
 - Donate profits to social cause
 - Pitch their business via video to a panel of industry leaders and entrepreneurs
- Chance to win great prizes and business experiences

Teachers are supported with a comprehensive Entrepreneurs of the Future Educator package including:

- Lesson plans mapped to multiple ANC 8.2 key learning outcomes for years 4, 5 and 6
- Teacher training manual and professional development opportunities
- Education and entrepreneur ecosystem connectivity online for wisdom sharing and access to vital resources to enhance the program in your school.
- Club Kidpreneur support
